Updates and Milestones

- All Chapter One content is public.
 - Over 150 tutorial topics total in 19 fundamental subjects.
 - By far the largest planned group of content on the site.
 - Searching will return relevant hits based on page title or introduction section content.
- Chapter Two content is almost complete.
 - Incorporating design intent into the model with
 - links,
 - custom parameters,
 - sets, and
 - subsurfaces.
- Minor updates and fixes
 - Subscription links should correctly send out confirmation emails.
 - Use Contact Us form and let us know if it's not working.
 - Rounded Rectangle and Wedge pages updated to reflect changes.
